

HIFI EPSON GICLÉE PRINTS

HiFi Epson ink jet prints offer the highest quality photographic or art prints available. Advanced **II color** screening algorithm resulting in prints with superior color and clarity. A maximum resolution of 2880 x 1440 dpi for incredibly sharp text and line art. This printer produces extremely fine blends and photographic transitions, as well as, true black and white photos without a color cast. This results in an extremely accurate highlight-to-shadow detail. Also, there is no visible photographic graininess due to the printing process.
